What happens after the STM is more important than what happened during the mission.

The debriefing session is to help participants and their pastors understand the reverse culture shock after the STM, proceed to the next step for the mission, and how to practice what they have learnt in the mission.

Please be reminded that, you are required to stay behind for the debriefing session after the STM, so you may leave Hong Kong two days after the STM trip.

CCMN INTERNATIONAL STM MOVEMENT 2024

IGNITE

After the pandemic, many things are recovering.

The tourism and aviation industry are doing so good.

The total airline revenues were projected to reach 107% of 2019.

Despite inflation and higher living costs, people were unwilling to cut back on travel plans.

Overall, a record 7.5 million travelers were forecasted to take to the skies, surpassing the 7.3 million passengers in 2019. Are you one of them?

However, churches all over the world are still struggling to recover.

Attendance dropped and even thousands of churches have closed.

For some churches, more people are coming but some people never returned.

It seems that the spiritual life of the churches around the world is shrinking.

Are you one of them?

In the past year, on the other side of the world, the people of Ukraine, Myanmar, and Gaza continue to suffer from wars. Natural disasters and human tragedies around the world have put tens of thousands of lives at risk and make rebuilding homes a difficult task.

Meanwhile, in this turmoil times, our frontline family members continue holding their positions in different regions day after day, year after year, faithfully, responding the call, and burning their lives for the Lord!

Where is your gaze? What are you focused on? Where do you channel your passion?

You can choose to:

- Let your passion for the Lord cool down gradually, be influenced by the attraction of the world and the declining atmosphere in the church.
- Step into God's world and let your life be expanded by the Lord.
Let the fire of mission ignite within you.
- Not only engage in the mission movement, but also ignite more lives with your own life, and inspire more people.
- _____?

Which of the above options will be your choice?
