CCMN INTERNATIONAL STM MOVEMENT 2026

JUST+  
OBEY

# JUST OBEY

CCMN is a movement. CCMN has become a movement. We never planned to start a movement. CCMN started in 1997 at the first Praying and Dreaming Summit:

- We (the churches that came together) to connect and see what God wants to do.
- We did not have great plans.

We just continue to do what we were supposed to do – what we felt we should do:

- Begin to send missionaries as churches – later on we realized that this a “Church-based mission” – we did not know too much, but we felt we need to do it.
- Many of us continue to connect together (network together – sticking together) – not fully knowing that this was so important, and that God will use it to build a movement.
- We were training up our own people, raising up people, every person who were willing to be trained, ordinary people were being raised up, generation to generation, not knowing that this is a very important basis of a movement.

Indeed, today CCMN is a movement. However, we were not so smart to know that we are to be a movement or what to do to become a movement. God was the One who made the movement happened. We just did what we felt that God wants us to do – and do it Together! We just do what we know that God wants us to do, and God will make His church into the movement that He wants His church to be!

The Church of Jesus is supposed to be a Movement! This is the heart of Jesus! Someone once said, “Let go and let God!” What we can do is simply obey what Jesus tells us to do – even though sooo many people around us say that it is not so simple and “you cannot do that” and “the church cannot do that.”

The CCMN movement is an Obedience Movement. We simply Obey Jesus and Jesus makes the Movement. Obedience is something we can do – Movement is something we cannot do and only Jesus can do.

The new generation is to continue to “Just Obey” – be careful to make sure we are obeying the commands of Jesus. We do not need to worry about the movement. Jesus will continue to do what He wants to do.

We just do what we should do – that is “Just Obey”

This is Your Movement now! It is Your task to Perpetuate the Movement! How do you perpetuate a movement? “Just Obey.”

“He who has My commandments and keeps them, it is he who loves Me. And he who loves Me will be loved by My Father, and I will love him and manifest Myself to him.” (John 14:21)
